Dear Crescent Beach Association Property Owner(s) with property abutting the Bluff:

This letter serves as an important reminder that the disposal of any kind of clippings, trimmings or debris or waste of any kind onto the Bluff or other property owned by the Crescent Beach Association is **not permitted**. Any debris caught in the Bluff may have a detrimental impact on the Bluff. It is very important to make sure that the integrity of the Bluff is not compromised.

As you are aware, maintenance of the Bluff and all Crescent Beach Association property is the responsibility of the Crescent Beach Association Board of Governors. All property owners are obligated to preserve, and not destroy, cut, trim or remove, any vegetation and plantings or otherwise alter Crescent Beach Association property. Please note that any destruction, removal or alteration of Crescent Beach Association Property is a violation of Chapter VI of the Crescent Beach Association's Ordinances and Regulations.

Please contact any member of the Board of Governors if you have any questions or concerns related to landscape maintenance of Crescent Beach Association property.

Yours Truly,

Board of Governors,
Crescent Beach Association
